

Cycle routes

We now have one short road route, one longer road route (13 miles with steep hills) and three routes for off-road cyclists which include parts on bridleways (which can be muddy).

Please let us know what type of cycling routes are of interest to you. Then we can add some more that meet your requirements.

Click on a route to find more details:

Road Cycling

- [2.5 mile road loop round Five Ashes](#)
- [13 mile road loop round Witherenden and Tidebrook](#)
