We have now added a new horse riding route but we would still love to hear what you think about the length and type of routes and what routes you know

Please select a route that interests you from the list below:

- [3 mile loop past Pages Farm](#)
- [4 mile loop past Sharnden](#)
- [4.5 mile loop through Hawksden Park Wood and back via Witherenden Road](#)

*Note: Routopedia makes best efforts to ensure that route details are correct and up to date but accepts no liability for the accuracy or use of this information. Users of routes do so at their own risk. See [terms and conditions](#) for full details*
